VINEYARDS
From the village of Arbo, on the northwest of Spain (Rias Baixas). Yields lower than 3.500 kg./ha. In the subzone of «county of tea».

WINEMAKING
We made a cold-soak of the grapes inside of the press, after lowering the temperature down to 8°C, leaving a few hours for extracting aromas and afterwards we continue with a light press on an inert atmosphere, and the obtained juice is racked the following day. Then it ferments with control of temperature set at 13°C.

TASTING NOTES
Brilliant straw yellow. Clean in the nose and with noticeable tropical fruit aromas (pineapple and passion fruit), citrusy highlights, and with a hint of peppermint. Savory, fruity and fresh on the palate, well-balanced and with a dry finish. It displays a clean retronasal and evokes again aromas of fruits and herbs.

PAIRING
Rice dishes and paellas, specially indicated for seafood or vegetables, tempura, gyoza or tataki.
